

Apologies for absence: M Regan, Pauline Smith, Joanne Turver, Mike Shorten,

Prom and Vintage Fayre

- All set to go, at least 15 vendors coming to evening. They have each paid £10.00 plus a raffle donation. A strong selection of local business.
- Vendors to arrive from 4:30pm onwards. Event to start at 6:00pm ending at 9:00pm. Roles given on the night. Help needed with selling raffle tickets, taking tickets and the bar. There will also be some help needed for setting up at 4:00pm and clearing away around 9:00pm.
- 6th form have agreed to help throughout the night as well as selling cups of tea/coffee for Lourdes fundraising. Issue was brought up about the cups and ensuring no hot drinks are taken from the JC hall.
- Year 11's will be selling cakes to fund the prom.
- Logistics of the night were discussed with changing rooms for both females and males. Separate changing room for adults wanting to try on vintage wear. All dressing rooms to be supervised by staff outside.

Quality Christmas Fayre - Sue Gatenby

- Christmas Fayre (3rd November) is set to be great success once again with 46 vendors including 10 new vendors.
- Vendors set up from 4:30pm.
- Roles needed for selling raffle tickets to be sold on the night, tickets, bar and helping vendors set up/clear away. Any help provided by the PTA will be greatly appreciated.

Christmas Raffle

- Since the retirement of Julia Jasper, the PTA will absorb responsibilities of the Christmas raffle. Tickets will need to be ordered by the end of the week so that they can be distributed for the first week back after half term.
- It was noted that the 6th form should also be allowed to sell tickets on the school's behalf.
- Prizes were discussed with there being a wine and spirits package, a food hamper and a £25 Marks and Spencer's voucher. All prizes to be decided on by the end of the week.
- Any donations for the raffle would be greatly appreciated as this has long been a very successful event and we would like to continue.
- Christmas Raffle to be drawn on the PTA meeting in December.

AOB

- Eve discussed tarmacking the tennis courts. This is something the PTA would like to fund along with some more basketball posts and perhaps a seating area. This will be further discussed and priced at the next meeting.
- A fundraising company was also mentioned. Sara Crashaw will find more information on this and feedback to the PTA at the next event.
