Dear Parent/Carer,

May half term revision timetable

We would like to offer your child the opportunity to have additional revision and support during the May half term holidays (see attached sheet). Curriculum Leaders have advised that attendance at these sessions would be highly beneficial.

Students must sign in at the Main Reception, not Student Reception. Curriculum Leaders will let students know where the session will be held and students must make their way directly to the appropriate room.

If necessary, students will need to bring refreshments as there will not be any catering available at college on these days. Could students please bring the permission slip to the revision session indicating your consent.

Thank you in advance for your co-operation.
